Each family is required to complete a FACTS tuition payment plan to pay for their student(s) tuition. There are three options from which to choose. A one-time payment in July; semi-annual payments paid in July and December, or 10 monthly payments paid July through April. Payments can be made either on the 5th or the 20th of each month.

Once families are verified as parishioner by the Church office, the tuition rate is established. Failure to support Annunciation Church through the Sacrificial Giving and/or through time and talent can place a family in non-parishioner status.

If a student is withdrawn before the end of the year, the parent will owe the prorated amount based on percentage of the school year/month attended. The school reserves the right to

withhold grades/report cards for delinquent accounts and moneys owed the school, including tuition, extended care, etc.

Tuition in Grades K3-8:

	<u>Parishioner</u>	<u>Non-Parishioner</u>

Delinquent Accounts

Should your student’s tuition become 60 days or more delinquent, the account will be referred to the Finance Committee and the Pastor for review, and possible student withdrawal. Parents who experience financial difficulties have a responsibility to discuss the situation with the office/principal and make appropriate arrangements. If you believe there is an error in your account, please speak with the billing administrator or the principal as soon as possible. If your child is the recipient of Scholarship for Kids, according to the terms of the scholarship, all tuition payments must be made in a timely fashion.

Delinquent Account from Previous School Year

All previously unpaid tuition or fees must be paid by July 1st if a student is to be readmitted on the first day of class for a new school year. Payments are to be made directly to the school. If your child is the recipient of Scholarship for Kids, all tuition must be paid in a timely fashion. Outstanding balances must be reconciled before the end of the school year, or the renewal applications cannot be submitted for the following school year.

Academic Information

The Diocesan curriculum guidelines, consistent with the State of Alabama guidelines, are followed for the teaching of all secular subject areas. In addition to these guidelines, teachers infuse Gospel values on a consistent and appropriate basis.

Saint Ann Catholic School offers academic growth opportunities in the following major subjects:

Religious Education

Religious instruction, according to the Catholic Church, is given top priority. Daily Religion classes are taught using “The Loyola Series” in alignment with the Standards and Benchmarks established by the Diocese of Birmingham. Our students pray together throughout the day. Reconciliation services are celebrated twice each year in grades 2-8. Children attend Mass weekly at Annunciation Church. Each year, grades 5 and 8 take the ACRE (Assessment of Catechesis of Religious Education).

For our Second grade students, preparation for Reconciliation and First Communion are included in the daily religious education program. Parents are required to attend informational meetings in preparation for the sacraments.

Fine Arts

Weekly music and art classes are scheduled for all students.

Handwriting

Students in K4-4th grade participate in handwriting development.

Language Arts

Reading, English, Spelling, Vocabulary, Composition, Library skills and Literature appreciation make up the Language Arts coursework across the grade levels.

Library

K4 – Students have a 20 minute weekly library period that includes plays and story time.

Kindergarten – Students visit the library weekly for a 30 minute story time and book check out.

First and Second Grade – Students have a 30 minute library period weekly, with story time and beginning library skills being taught. The students may check out one book for one week.

Students are responsible for returning books on time to the library. Another book may not be checked out until book is returned.

Third through Eighth – Students have a weekly 30 minute class in the library with the focus on learning library skills. Students may check out one book for one week.

Mathematics

Mathematics Skills are developed in all grade levels.

Physical Education

Physical Education (PE) is part of a well-rounded education. PE grades (6-8) are based on dressing out in required uniform; including athletic shoes, behavior, sportsmanship, participation, cooperation, effort, written tests, and homework. The uniforms may be purchased through Dennis Uniform, or Educational Outfitters. Sweatshirt and sweatpants are an option for a winter PE uniform. Athletic shoes are required.

Science

General science is offered to all age groups. Laboratory experiences are offered to grades 6-8. Grades K5-5 participate in the Morgan County Science Fair.

Social Studies

History, Geography, Current Events, as well as Alabama history (4th grade) are part of the curriculum.

ATTENDANCE

The school day officially begins at 8:00 am. In order to promote a positive learning environment, students should be in the classroom on time and ready to learn by 7:55 am. All grades enter through the main office doors after 7:40 am. Any student arriving late must report directly to the office and be signed in by the parent. Students unescorted by a parent when tardy, automatically receive an unexcused tardy. Students who are habitually tardy will be subject to disciplinary action and administration will schedule a conference with student and parents. School is dismissed at 3:00pm. Students who are not picked up by 3:20 pm will be escorted to extended care.

Maximum absences allowed are ten (10) days per year. Excessive absences can result in a student being retained. Students absent for five (5) or more consecutive school days are required to submit a doctor's certificate before being readmitted to school. Any student who has a contagious disease (except for minor colds and viruses) is required to submit a doctor's certificate before being readmitted to school.

The following are considered valid (excused) reasons for absence from school: illness, death in family, health treatment, permission from principal and inclement weather. Students missing for excused reasons will be allowed to make-up work. **Parents must always send a note explaining the reason for the absence (handwritten signature required on note).** The absence note must be submitted upon the student's return to receive an excused absence. Notes to excuse an absence will not be accepted after the fifth day the student has returned to school and therefore the absence will remain unexcused.

Make-up Work

When a student is absent for two or more days due to illness, a parent may contact the homeroom teacher by 9:30 am, to arrange for missed assignments. These assignments may be picked up in the school office between 3:00-3:30 pm. Students have one day for each day missed to complete make-up assignments. If extenuating circumstances apply, it is the responsibility of the student to request additional consideration from the teacher. AGAIN, any request for make-up work should come after two or more days of absence.

Any student absent from school more than ½ day may not participate in school sponsored events that afternoon and evening. A student is counted absent the entire day if missing more than three and a half hours, (3 hours and 30 minutes).

Parents should make every effort to schedule doctor/dental appointments after school hours. If not possible, then every effort should be made to have the child miss a minimum amount of instructional time. Parents must come into the office to sign out a student for an appointment. Upon return to school, the parent must escort the student into the office to sign him/her back into school. The student is responsible for checking with the teacher(s) about missed work.

Any scheduled absences must be pre-approved by the principal. In order for a requested planned absence to be excused, please submit an approval form with parent signature giving the reason and date(s) the student will be absent. Upon returning to school from a scheduled absence, it is the student's responsibility to secure missed assignments. Excessive abuse of this procedure can result in a student being denied the opportunity to make up missed work.

Assignments will not be given in anticipation of a vacation.

Academic procedures

Homework

The purpose of homework is to reinforce concepts taught in school. Homework is assigned on a regular basis. A general rule of thumb is 10 minutes for each grade the student has been in school beyond kindergarten (for example, 5th grade can expect 50 minutes of homework). **If your child is taking an unusual amount of time to complete homework, it is your responsibility to contact the teacher for a conference (and we request that you do so).**

Grading

Each child is different and our teachers take great care when evaluating each student. Grades are based on various forms of assessments which will take into consideration daily work, daily participation in class, homework assignments, extra work, notebooks, oral reports, neatness, promptness of work, initiative, etc.

Report cards are issued quarterly. The Diocese of Birmingham uses the following grading system in all its schools:

Kindergarten (K5):

A check list with the following qualifiers:

S = Satisfactory

P = Progressing

NI = Needs Improvement

X = Not covered yet

Grades 1-8

A: 100-93

B: 92-84

C: 83-74

D: 73-65

F: 64 or below

If at any time parents have questions regarding their child's work or progress, they are to contact the teacher.

Report Cards/Progress Reports

Report cards are distributed every nine weeks for K5 through eighth grade. Parent –Teacher Conferences will generally be held once in the fall. Progress reports are sent home at mid-term (about the fifth week of each quarter) to indicate the student's standing in academic and behavioral areas. Families are issued passwords and logins to access the online grades through RenWeb throughout the school year. All grades are entered in RenWeb within 72 hours for all classwork/homework.

Honor Roll Criteria

In order to obtain the "A" Honor Roll, students must have all "A's" in all subjects. In order to receive the "A/B" Honor Roll, a student must have a combination of A's and B's in all subjects. Honor Roll students **must have SATISFACTORY Conduct and Effort in all subjects**. Certificates for all those on the Honor Rolls will be issued on Awards Day.

Promotion and Retention Policy

At the end of the school year, students are either promoted or retained. A student fails for the year if he/she has a yearly average below 65 or “F” in two or more of the following areas: Reading, English, Math, Science, or Social Studies. Students may be retained for reasons other than grades if a decision is reached cooperatively among the teacher, principal and parents. When there is a disagreement, the decision of the principal is final.

IN FIRST-EIGHTH GRADE, EXCESSIVE ABSENCES MAY RESULT IN LOSING CREDIT IN ALL CLASSES DURING AN ACADEMIC YEAR.

Assessments

Saint Ann uses the standardized assessment: IOWA Test of Basic Skills (ITBS). Students in grades 3-8 participate in this week long assessment period. Students in grades 5 and 8 are given a religion assessment (ACRE). Students need to be present unless ill. Please do not make routine doctor’s appointments during these scheduled assessments.

Graduation

Participation in the eighth grade graduation ceremony is a privilege and indicates a successful completion for all requirements. Should academic or disciplinary circumstances arise, the principal reserves the right to deny the privilege of participating in the ceremony and associated activities to those who do not complete these requirements.

ADDITIONAL STUDENT INFORMATION

Students are expected to demonstrate appropriate behavior on field trips as well as in the classroom prior to the trip. Students that choose to challenge rules during the course of a normal day may be denied the privilege of attending a field trip. Students that lose the privilege of attending a field trip or are not given permission by the parent may be required to complete an alternative assignment.

Student Conduct

Catholic Education supports student growth in all areas. Self-Discipline is a life skill that can and should be achieved. School rules and regulations are no more than basic courtesy, good manners and the creation of a Christian community where learning can take place. The authority to control student behavior extends to all activities of the school including Mass and religious services, field trips, and all other school sponsored activities.

The Student should be fair with him/herself, with fellow students, and with the teacher. We ask that our students tell the truth at all times, conduct themselves as ladies and gentlemen, respect law and order and follow the Commandments in all phases of life.

Students are expected to treat each other with respect and dignity. This includes reporting incidences of inappropriate or bullying behavior. Students are expected to conduct themselves in a respectful manner towards everyone. Disrupting the learning environment of other students is not acceptable.

Adhering to school/classroom rules is another expectation for students at Saint Ann Catholic School. Some examples of behaviors that are considered routine and appropriate are (but not limited to):

1. Being honest and truthful
2. Being respectful and polite
3. Getting along with others
4. Using acceptable language
5. Following classroom rules
6. No gum chewing
7. Being responsible for school property
8. Respecting others' property
9. Being on time to class

These rules are samples of general school expectations and may be adjusted during the year by the principal.

Disciplinary Measures

Teachers will handle routine classroom discipline using assertive discipline techniques and positive reinforcement when possible. Repeat or serious breaches of behavior will be referred to administration.

K4 – 5th grade students: Follow a systematic procedure that involves warnings and consequences that escalate if the behavior does not improve. Each teacher will provide a classroom management plan to the student and parent.

6th – 8th grade students: For misconduct in the classroom, the teacher will first give a verbal warning to the student. On the third offense, the student will receive silent lunch. Verbal warnings do not carry over from one classroom to another or from one day to the next. Patterns of misbehavior, however, will be addressed by the teacher with student or parent. Silent lunches, detentions, or office referrals may be given immediately in incidents of severe misbehavior.

The homeroom teacher will notify the student and the parents of any disciplinary action in the form of a note which includes date, time and actions taken. **Signatures of student and parent are required on the slip and the slip is returned to the administration.** Parent conferences will be held if a student received two or more notifications in one month. Each student “starts over” on the first day of the month.

Should discipline procedures move beyond time out and loss of privileges for younger students or beyond detention for older students, the following actions may occur:

1. Mandatory Parent Conference – Required disciplinary meeting by custodial parents with the teacher and/or principal for a discussion of the problem and potential solution.
2. In-House Suspension – Isolation of a student from his/her peers at school during the school day. Teacher will provide lessons, work and tests to be done during the day. No extra-curricular participation allowed.
3. Out of School Suspension – Removal of the student from the school setting (1-5 days). The student stays home and missed work will be made up upon return. A parent conference is mandatory for re-admission. No extra-curricular participation allowed.

4. Expulsion – Removal of the student from the student body and the school. Behaviors deemed by administration to be of an extreme nature will result in suspension or expulsion.

Students are removed from the school by the principal with notification given to the Pastor and the Superintendent of Schools in the Diocese of Birmingham.

Diocesan Policy of Bullying

Bullying, involves an imbalance of power or strength, aggressive behavior such as: physical, verbal, racial, sexual or emotional intimidation. Students are expected to abide by the dress code policy. Students who choose not to abide by the dress code will not be admitted to class until the proper uniform attire is brought to him/her at school. Out of Uniform Days

Certain days will be designated as “out of uniform”. Students will arrive in clothing that represents the Catholic teachings of integrity and dignity. Non-compliance will result in a loss of out of uniform privilege and parents called to bring the school uniform. The following will be strictly enforced:

1. All clothing will be neat and clean
2. Clothing may not contain messages that are not in keeping with the teaching of our faith.
3. Skirt length is to be closer to the bend of the knee than the torso of the body.
4. NO spaghetti straps or tank tops; shirts must have a sleeve.
5. NO open toed/open heeled shoes
6. While socks are required, crew socks are not.
7. Non marking athletic shoes are required for PE.
8. Earrings (girls only): only studs allowed
9. NO worn, frayed, torn or soiled clothing

School related events, such as graduation and dances, will have dress code requirements provided to the student before the event.

Parent-School Relations

Parental Commitment

The Catholic Church believes that parents are the first and foremost educators of their children. Therefore, in addition to taking this role at home, parents are encouraged to be active and interested in the life of the school community. The operation of a successful school depends on participation and support from the parents and friends in the community. The school depends on volunteers for many activities. All parents are encouraged and expected to get involved in activities, including volunteering in the classroom, driving on field trips, and fundraising.

Youth Protection for Adults

Any parent that wishes to volunteer at school must complete the Diocesan Youth Protection course and complete an “AS1” form to allow the school to run a background check. **Training**

and background check must be renewed every three years. This is required for all adult volunteers. Classes are available throughout the year.

Parent-Teacher Organization (PTO)

The PTO is a service and information organization for the parents and teachers of Saint Ann Catholic School. Its purpose is to offer support and financial aid for the betterment of the school. All parents and teachers are members of the PTO. All families should make an effort to attend the meetings and support the efforts of the PTO. Occasionally, classes will offer a performance at the PTO meeting. Student attendance is mandatory at these events unless otherwise arranged with the principal.

Communication Procedures

Communication between parents and teachers is very important. The following methods of contact are suggested:

1. Notes sent via your child
2. Email
3. Conferences*

*Conferences may be scheduled through the school office or directly with the teacher. Formal conferences for all parents are scheduled in the fall.

Issues and concerns of any kind should be addressed first in a conference with the individual teacher. Typically, most problems will be resolved in this manner. If the issue is not resolved with faculty and the parent needs to explore additional support, the following sequence must be followed:

1. A parent is to contact the principal. The principal may arrange a joint meeting between the parent, teacher and or other staff member.
2. If still unresolved, the parent(s) may contact the pastor for consultation.

Students will not be called out of class to speak with a parent. In the event of an emergency, parents should contact the administration for assistance with student notifications.

Communication Responsibilities

The good name, reputation, and personal safety of each student, faculty, and staff member as well as the good name of each school in the Diocese of Birmingham as an institution of the Catholic Church, is vitally important. Two specific aspects of this are:

1. Internet activities (such as blogs, chat rooms, etc.) that a student may independently choose to participate in can make the student vulnerable to predators. We strongly advise our students to be very careful about the personal identification information they

share via the internet. We also advise parents to monitor these sites to be sure their child remains safe. Should information come to the school regarding a student sharing personal identification information and/or information concerning a student demeaning him/herself, the school will notify the parents and it will be the parents' responsibility to take action.

2. In order to protect each and every student as well as employees and the institution itself each student enrolled in a Diocese of Birmingham Catholic School is expected to treat the good name and reputation of each of the above with dignity and respect. The same is expected of each parent/guardian of a student enrolled in our schools. Public defamation of any student, employee, or Catholic school by a student or parent/guardian is serious whether this be done orally, in writing, via email or on the web and whether it is done on a school computer or not and on school time or not. There for any student or parent found to be participating in any defamatory activity will be subject to disciplinary/responsive action by the school. This could include dismissal of the student whether the action is by the student or his/her parent/guardian.

Parent to Parent Communication

Class notes from parents to other parents must be approved in advance by the teacher or principal.

Fund Raising

All fund raising must be done through an organization, with approval in advance from the principal.

General Procedures

Drop Off/Pick Up

Morning drop off (if not using extended care) begins at 7:40 am. After school, students who are not picked up in carline will be placed in extended care. Please remember that school starts at 8:05 am and students need to be in class ready to begin learning. Proper arrival time is at least 10-15 minutes before 8:05 am.

When signing a child in or out of school, parents must use a lined parking space in the parking lot and not leave vehicle engine running.

During carline, refrain from conversation with the faculty/staff during drop off and pick up. Be patient; watch for pedestrians and drive slowly. **No cell phone use on campus at any time you are driving.**

Each family will have a mirror hanger containing their student number. Please display this card in your windshield during pick-up to assist the faculty/staff in locating and loading your children. These cards will be provided to each family. If you will be car-pooling, please be sure to alert the staff in advance.

School Records

Parents/legal guardians have the right to inspect all official records relating to their own child. Records are confidential. Requests to review should be made directly to the principal. Records must be reviewed in the school office in the presence of the principal. The school respects the right of a non-custodial parent to review the records unless a copy of the divorce decree stating otherwise is supplied by the custodial parent and is on file in the office.

Custody Issues

Where there is a divorce resulting in custody issues, the school must have a court certified copy of the decree for custody for the permanent records. This document is needed in order to give the school direction regarding the non-custodial parent visiting the school, going on field trips, and picking up the student. Without the correct court papers, the school must assume that both parents have full equal access to the child.

Personal Belongings

Only those items deemed by the teacher to be necessary for school are to be brought to school. All students are encouraged to have a book bag. Children in grades 4-8 may have rolling back backs. For children in grades K-3, backpacks with wheels are unnecessary and not allowed. **Please be sure that all items related to school (lunch boxes, uniforms, books, etc.) are labeled with the child's name.** Be sure the following items are not brought to school: glass, sharp objects, breakable, precious or items of great value. Students do not need to bring large amounts of cash to school.

Electronic Devices

Catholic Schools in the Diocese of Birmingham make every effort to assure that each student is safe while they are at school. Each school also tries to ensure that the teaching/learning process is interrupted as little as possible. Only approved electronic devices may be utilized during the teaching/learning process. A non-approved personal electronic device (such as a

cellphone, camera, etc. but not limited to only these devices) that is used, seen or heard during school hours will be confiscated. Consequences will be decided by the principal.

Birthday Celebrations

In recognition of their birthday, students in K4-Grade 8 may come to school dressed out-of-uniform on their birthday. The student will arrange the out of uniform with the homeroom teacher. In addition, a healthy birthday treat may be sent to school for students. Balloons, etc. are not permitted. Birthday party invitations may not be distributed on school grounds. Parents may ask your students homeroom teacher for a class email directory if offered.

Visitors

All visitors, parents and volunteers must report to the office immediately upon entering the school. Parents wishing to visit classes should make arrangements through the office and teacher. Students visiting from other schools, even Saint Ann Alumni, may not be on campus unsupervised. Arrangements for visitors must be pre-approved by the office at least hours in advance.

Telephone

The school phone is to be used only by school personnel. In the event of an illness or emergency, the school personnel will contact the parent. Emergency messages will be conveyed to your child. We cannot call him/her to the phone.

Textbooks

All hardcover books are rented and should be covered all year (no contact paper, please). No writing in the books except for the student's name. Lost or damaged books are to be paid for at the replacement value. If workbooks are lost, students must purchase new ones. Rental books are turned in at the end of the school year.

School Closings

In determining the need to close during inclement weather, Saint Ann follows the City of Decatur School system. If Decatur City Schools close, then Saint Ann will close as well. There will not be a separate announcement for Saint Ann. Please follow the City of Decatur Schools announcement. Be alert to radio and/or television stations regarding re-opening and delayed closings. Parents are not allowed to pick up their children during tornado warnings. They are welcome to wait in safe areas with their children.

Saint Ann also uses a telephone emergency notification system.

Safety/Crisis Management Plan

Saint Ann has developed a plan describing procedures for various possible crisis situations. Routinely, Saint Ann practices drills to enhance preparedness in event of an emergency.

Right to Amend

Saint Ann Catholic School reserves the right to amend this handbook. Notice of amendments will be communicated through the “Wednesday” folder and/or email.
